

MijnOLVG

your data, secure and online

View your personal medical records from home. This is possible with the MijnOLVG patient portal. You can view your appointments and test/examination results and ask short questions in a secure digital environment. You can sign in with DigiD.

Sign up easily

Go to www.mijnolvg.nl. To use MijnOLVG, you need a BSN, mobile phone number and/or e-mail address and an activation code. You will then have access to our front portal. After your identity has been checked, you will have access to all that MijnOLVG has to offer.

What can I do with MijnOLVG?

After your identity has been checked, you will have access to the following functions:

- View all of your appointments in OLVG
- Schedule, cancel or change most of your appointments in OLVG
- Receive a reminder prior to your appointment
- Complete questionnaires to prepare for your appointment
- View test results: 7 days after their release by the healthcare provider
- View revised pathology reports: 7 days after their release by the healthcare provider
- View reports from multidisciplinary consultations (MDOs): 7 days after their release by the healthcare provider
- View and keep track of your medication
- View and keep track of your allergies
- View, download and share your medical data
- See who has had access to your medical records
- Pose non-urgent questions to personnel at the outpatient clinic where you are being treated. Charges may apply.
- Patients over the age of 16 can enable another person to access their medical records via the 'access for authorised persons' process.

What can I do in the MijnOLVG front portal?

You can view your appointments and personal details. You can also better prepare for your appointment via the portal. You can complete questionnaires about your health before your appointment. Your answers help you and us. They ensure that we can spend time on what you find important during the appointment.

Sign in with DigiD

Since October 2022, you can sign into MijnOLVG with your DigiD. MijnOLVG users previously needed a username and password. To give those users time to create a DigiD account, they will still be able to sign in the "old way". New users will need DigiD to sign in.

Quick access with MijnOLVG app

If you have access to MijnOLVG, you can use the MijnOLVG app. With this app, you can access your data at any time and from any place.

- Go to the App Store or Google Play Store
- Search for the **MijnOLVG app**
